1. To provide this animal with proper shelter, adequate food and fresh water, humane treatment, and medical care to maintain his/her health and well-being. I understand that I am financially responsible for my adopted animal, and that owning a pet/animal comes with expenses.
2. To establish a schedule of preventative medicine with a veterinarian and to obtain immediate veterinary care if the animal becomes sick or is injured.
3. I understand my adoption of this animal is for the DURATION OF ITS LIFE. I agree to keep this animal permanently; this animal will not be sold, traded, consumed, or disposed of in any way, nor will it be used for any experimental purposes. Donations and fees are used to help cover our expenses and allow BFAS to help other animals in need: including shots, spay/neuter, veterinary, farrier, feed, administrative, travel, marketing, and any other expenses prior to adoption.
  - a. Should an unforeseen problem occur during the first seven (7) days after the signing of this contract, I agree to return the animal to BFAS with an optional refund of the adoption fee or donation (minus brand inspection fees if an equine, registration, or transportation costs). All original adoption and veterinary paperwork must be returned. Minimum return fee is \$25.00. If a problem should occur after the first seven (7) days, I agree to work with an animal behaviorist and/or attend obedience training class with my pet and/or work with an appropriate animal trainer, at my expense for one month. If, after attempting training and/or behavioral assistance, the problem still exists, I agree to return the animal to BFAS with no refund of the adoption fee. I understand that I may have to self foster the animal at my own expense until space is available at BFAS.
4. Animals adopted from BFAS include no guarantees regarding health, soundness or temperament. I understand that, while every effort is made to ensure the health of animals offered for adoption, Black Forest Animal Sanctuary cannot be held responsible for any undetected behavioral issue, illness or disease that the adopted animal might be carrying, and that Black Forest Animal Sanctuary will not be responsible for any veterinary bills incurred after the adoption.
